FROM: Cynthia Stewart, Airport Manager

RE: **Weekend Closures - REVISED**

**THERE IS A REVISION TO THE MEMO SENT YESTERDAY. NOTE
CHANGE BELOW TO SUNDAY SCHEDULE**

As we've said before, there has been a great deal of earthquake damage to our storm drain system and areas of pavement that have not yet been repaired. This is to let you know of planned closures this weekend in order to address much of this needed work. Airport staff have talked with many of you about the timing to attempt to avoid times when these closures might create difficulties for you; however, there may be some conflicts with your plans, and we apologize in advance for that. Here is what is planned:

Saturday, 4/21/01

Work on Saturday will focus on replacement of storm drain in safety areas near the middle of the long runway, working from West to East. In addition, portions of Taxiway A pavement will be saw cut in preparation for later storm drain replacement.

- **10:00 a.m. to 6:00 p.m., Long runway, 13R/31L, shortened.** 5300 feet will be available for Runway 13R; 4500 feet will be available for Runway 31L.
- **1:00 p.m. to 4:00 p.m.,** (timing depends on progress relative to the long runway)
Short runway, 13L/31R, closed.
- **7:00 a.m., Sawcutting will begin at Taxiway A** in the vicinity of UPS and at Gate 5.

Sunday, 4/22/01

Work on Sunday will focus on surveying for future work, additional pavement repair at Bravo-Five inside the safety area, storm drain replacements in various locations on Taxiway A and paving repairs in various Taxiway A areas.

- **6:00 a.m. to 8:00 a.m., Taxiway B-5 Long runway, 13R/31L, closed completely for survey work and B-5 repair work inside the safety area.**
- **8:00 a.m. to 10:30 a.m., Long runway, 13R/31L, shortened.** 5300 feet will be available for Runway 13R; 4500 feet will be available for Runway 31L.

Airport Tenants
April 20, 2001
Page 2

- 7:00 a.m. to 7:00 p.m., Taxiway A closed between A-3 and A-6.
- Parking restricted, Gates 4, 5 and 6.
- Customs available south of Gate 3.
- Runway access north of the construction area will be via Taxiway A-1 or A-2.

The purpose of this notice is to give you as much planning time as possible, but **PLEASE WATCH THE NOTAMS FOR CHANGING DETAILS.**

As always, we apologize for the inconvenience to you, and thank you for your patience, because this work is essential to returning to normal operations. If you have any questions, please do not hesitate to contact me or Mike Colmant at 206-296-7380, or via e-mail: cynthia.stewart@metrokc.gov.

THANK YOU AGAIN FOR YOUR CONTINUED PATIENCE!
